The **accounts below** have been created for use on the Training Site of the Biosafety Clearing-House.

Users may log-in to the accounts below to practice submission of national information either as a BCH National Focal Point (BCH-NFP) or a National Authorized User (NAU).

Please note that **any records published or modified on the Training Site will NOT affect the official BCH site.**

For workshop participants: multiple users may log-in and use the same account simultaneously. However, please be advised that the same record should not be edited at the same time.

IMPORTANT NOTE: Please do not modify the accounts below.

Country	Roles/E-mails	Password
