

PROJECT FOR SUSTAINABLE CAPACITY BUILDING FOR EFFECTIVE PARTICIPATION IN THE BIOSAFETY CLEARING HOUSE

GROUP WORK3

Prof Dr Ossama AbdelKawy

GROUP WORK

Topics should be discuss in group and a reporter designated by the group should present / report conclusion in plenary.

Powepoint presentations need to be prepared and submitted to

elkawyo@gmail.com

GROUP WORK ON TRAINING MATERIALS

After going through the training materials on the BCH Central Portal and the Virtual learning environment list what kind of training materials need to be developed so we can summarize and make as recommendation

- Identify new courses and modules (e-Learning and webinars) needed for the sustainability of BCH capacity building;
- Identify new case studies needed
- Identify tools to be used for online and offline delivery of courses and modules;

THANK YOU ...
